

The Internet Way to Retrieve and Share your Documents

e-Spazio Service is SIMPLE

1. We scan your paper documents
2. You log into e-Spazio Internet Document Server
3. You search and retrieve your Document Images

Because

- You will find your documents in seconds
- You can get them from any Internet enabled computer
- You will need no software, no servers, no installation process

You will

- ✓ Improve employee productivity
- ✓ Streamline your business process
- ✓ Speed up on accounts receivable and collections
- ✓ Improve customer service with quick responses
- ✓ Save office space
- ✓ Digitally backup your documents
- ✓ Reduce cost and risk associated with misfiled and lost documents
- ✓ Improve supervision and audit capabilities.
- ✓ Stop wasting qualified employee time looking for documents

Best of all: no upfront investment needed!

You pay as you receive service while reducing costs and improving efficiency.

Right now you are spending time and money each month looking for the documents you need.

e-Spazio puts your document images a mouse click away in a cost-effective and always available system.

Documents can be accessed from different locations simultaneously by employees, customers and business partners, 24 hours a day, 7 days a week.

e-Spazio provides functional advantages to:
